Chair and Members of the
Etobicoke York Community Council

Dear Chair and Members:

The establishment municipally known as Julia's Fine Cuisine at 2056 Dufferin Street has applied to the Alcohol and Gaming Commission for a liquor license.

I have been contacted by the Police at 13 Division and local residents who have complained about the bad behaviour and problematic activity at this establishment in the past. It has been a source of many complaints to the Police and detracted from community for many years. The residential community has been severely impacted by the problems associated with this location and is requesting the City of Toronto's assistance in seeing that this liquor license application is denied.

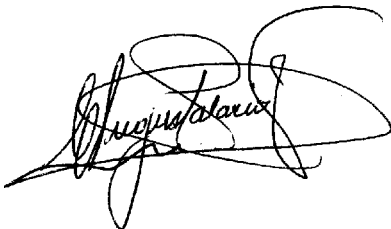

Under the circumstances I agree with the Police and local residents that a full hearing on this matter is appropriate.

RECOMMENDATIONS:

1. That the Etobicoke York Community Council formally object to the liquor license application for 2056 Dufferin Street.

Thank you for your consideration of this request.

Yours truly,

Cesar Palacio, Councillor
Ward 17, Davenport
