SUMMARY

This report informs Community Council about a change in the reporting process for a related report from the Chief Corporate Officer titled “GM33.3 – Sale of Portion of the Westwood Lands”. GM33.3 is a placeholder report for a further report which was to be brought forward with recommendations on the terms of the proposed sale of part of the City-owned Westwood Theatre Lands to the Provincial government for a new Provincial Court House.

GM33.3 was referred to in the Staff Report from the Director, Community Planning, dated July 28, 2010 titled “EY39.19 - 3699, 3741-3751 Bloor Street West and 925 Kipling Avenue – Zoning Amendment Application (Removal of the “H” Holding Symbol) – Final Report” which is before Etobicoke York Community Council on August 17, 2010.

Report EY39.19 indicates that the report from the Chief Corporate Officer (GM33.3) will be submitted to the August 12, 2010 meeting of the Government Management Committee.

Staff from the Real Estate Services Division have informed Planning staff that the report called for in GM33.3 did not go forward to Government Management Committee as negotiations with the prospective purchaser are continuing. However, the report from the Chief Corporate Officer is expected to be presented directly to City Council at its meeting of August 25 and 26, 2010 where it can be considered together with the report on the removal of the “H” Holding Symbol from the Director, Community Planning.
