ISSUE BACKGROUND

The Toronto Board of Health is an active member of the Association of Local Public Health Agencies (alPHA). The Board of alPHA has an identified position for a representative from the Toronto Board of Health. The current representative is Valerie Sterling who is also currently the President of alpha (until June 2010). All members of the Toronto Board of Health are members of alPHA's Board of Health Section. The Medical Officer of Health and Associate Medical Officers of Health with Toronto Public Health are members of the Council of Ontario Medical Officers of Health (COMOH), the other section of alPHA. alPHA holds regular meetings of its Board of Health and COMOH sections, its full membership and its board of directors.

COMMENTS

The Toronto Board of Health member of the alPHA Board participates in board meetings, Board of Health Section and semi-annual meetings/conferences. Members of the Toronto Board of Health are welcome to attend alPHA Board of Health Section meetings and semi-annual meetings/conferences. The majority of these meetings are held in Toronto. The Board of Health may approve any expenses associated with attendance within the approved budget. To facilitate full participation throughout the year, it is recommended that the Board of Health approve the attendance of its representative on the alPHA Board or designate for the full year and encourage Board of Health members to attend alPHA Board of Health Section meetings and semi-annual meetings/conferences held in Toronto.
