Dear Chair,

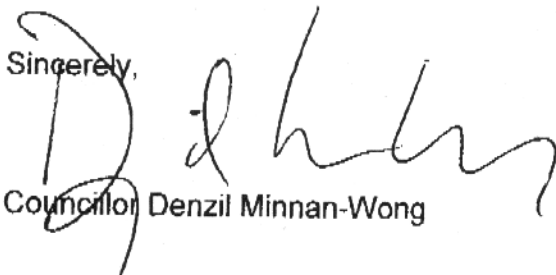

## Citywide Postering Bylaw

I am writing to ask the Committee to request a verbal report from staff at the next meeting which explains what actions have taken place since the Postering Bylaw was passed in April 2006.

It is my understanding that until the postering kiosks are rolled out across the city, staff are unable to enforce the bylaw. Staff has informed me that there is no firm time line for the installation of these kiosks citywide.

Postering is a growing problem across the City of Toronto. The fact that nearly four years have passed without any enforcement is quite concerning and requires immediate investigation.

Sincerely,

Councillor Denzil Minnan-Wong
