Recommendations

Councillor Heaps, seconded by Councillor Parker, recommends that:

1. City Council amend the Council-approved 2010 Operating Budget for Parks, Forestry and Recreation by a one-time increase of \$8,891.21 for Maywood Park, fully funded by the alternative parks levy that are above the first five (5) percent arising from the development of 742-744 Kennedy Road.

Summary

City Council at its meeting on February 22 and 23, 2010, adopted Scarborough Community Council Item SC32.25, headed "742-744 Kennedy Road – Common Elements Condominium and Part Lot Control Applications – Final Report". See reference at <http://www.toronto.ca/legdocs/mmis/2010/sc/bgrd/backgroundfile-26694.pdf>

As per Council policy, since the application is subject to an alternative parkland dedication rate, the cash-in-lieu payment in excess of the base five (5) percent can be directed by the Councillor in consultation with staff in Parks, Forestry and Recreation.

The first five (5) percent of the cash-in-lieu of parkland dedication is broken down into the following four equal amounts; local parkland acquisition, City-wide parkland acquisition, local park/facility improvement and City-wide park/facility improvement.

The \$8,891.21 has been received and is deposited in account number 220419 - Reference # 09 182756 ESC 35 CD & 09 176264 ESC 35 PL.

(Submitted to City Council on May 11 and 12, 2010 as MM49.3)
