Recommendations

Councillor Thompson, seconded by Councillor Kelly, recommends that:

1. City Council amend the approved Parks, Forestry and Recreation 2010 Capital Budget to create a new sub-project in the amount of \$100,000.00 known as Maryvale Park Tennis Court Lighting, funded from a Section 37 contribution from the development at 1955-1992 Victoria Park Avenue, for the installation of new lighting at the tennis courts in Maryvale Park, conditional upon approval of the development agreement by City Council and the receipt of funds by the City.

Summary

Conditional authority is being sought to amend the 2010 Parks, Forestry and Recreation Capital Budget, approved by Council, to create a new sub-project known as Maryvale Park Tennis Court Lighting funded from a Section 37 contribution generated from a development agreement for 1955-1992 Victoria Park Avenue in the amount of \$100,000.00. This Section 37 funding is to be made available upon the approval of the bills at the August 25 and 26, 2010 City Council meeting. These additional funds are needed to install new lighting at the tennis courts at Maryvale Park. The lighting design has been completed along with other park improvements. A purchase order has been awarded to the successful low bidder for the construction of other park elements. The tennis court lighting can be added to the current purchase order.
