

MOTION**Southbound Left-Turn Restriction:
From Old Yonge Street to York Mills Road****Moved by: Councillor Jenkins**

SUMMARY:

At its meeting of October 23, 2001, the former Midtown Community Council adopted a staff recommendation to prohibit southbound left turns at any time from Old Yonge Street to York Mills Road. Upon further review however, the appropriate bills appear to have not been forwarded to Council for approval. The approved turn restriction was not included in Schedule XV of By-law No. 31001, of the former City of North York.

As there is a Toronto Transit Commission service route on York Mills Road this matter requires Council approval.

RECOMMENDATIONS:

That Toronto City Council enact the Bill in conjunction with the recommendation which was adopted by the Midtown Community Council on October 23, 2001 to prohibit southbound left turns at any time from Old Yonge Street to York Mills Road.
