

**NOTICE OF MOTION****Parking Prohibitions: Killdeer Crescent****Moved by:** Councillor John Parker**Seconded by:** Councillor**SUMMARY:**

This motion is about a matter for which Community Council has delegated authority from City Council to make a final decision.

The area residents on Killdeer Crescent have requested that the current parking restrictions on both sides of Killdeer Crescent from 8:30 a.m. to 11:00 a.m., Monday to Friday, between the northerly and southerly intersections with Brentcliffe Road be removed in order to facilitate on-street parking in the morning.

Currently, parking on Killdeer Crescent is prohibited on both sides of Killdeer Crescent between the northerly and southerly intersection with Brentcliffe Road from 8:30 a.m. to 11:00 a.m., Monday to Friday.

Transportation Services Division staff have confirmed that the current parking restrictions during the morning were implemented to discourage on-street parking on Killdeer Crescent by patrons of the previously occupied institutions in the area. As these properties no longer operate as institutions, there is no demand for on-street parking on Killdeer Crescent that would require parking prohibitions. In this regard, the Transportation Services Division would support the removal of the existing parking restrictions during the morning period on Killdeer Crescent.

It should be noted that all costs associated with the amendments of parking regulations will be included within the Transportation Services Division's 2010 Operating Budget.

**RECOMMENDATIONS:**

That North York Community Council:

1. Amend the appropriate by-laws to delete the prohibited parking regulations on both sides of Killdeer Crescent between the northerly intersection with Brentcliffe Road and the southerly intersection with Brentcliffe Road from 8:30 a.m. to 11:00 a.m., Monday to Friday.
