
NOTICE OF MOTION**Stopping Prohibitions:
Coldstream Avenue, Bathurst Street to Glenmount Avenue****Moved by: Councillor Moscoe****Seconded by: Councillor**

SUMMARY:

This motion is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

The residents of Coldstream Avenue from Bathurst Street to Glenmount Avenue and the representatives of the Kollel Avreichim (Institute of Advanced Taimudic Study) at 515 Coldstream Avenue, have requested that the existing No Parking Anytime prohibitions on the south side of the roadway between 519 Coldstream Avenue and Glenmount Avenue be rescinded as they are negatively impacting the members of the Kollel and the residents in this area.

Currently parking on Coldstream Avenue between Bathurst Street and Glenmount Avenue is permitted for maximum periods of three hours on the south side east of 515 Coldstream Avenue by means of 22 angled parking spaces. Parking is prohibited at anytime on the north side, from Bathurst Street to Glenmount Avenue and on the south side from Glenmount Avenue to a point 80 metres east thereof (east lot line of 519 Coldstream Avenue). It should be noted that due to the angled parking, the roadway width from the east lot line of 521 Coldstream Avenue to Bathurst Street is only 7.5 metres wide. Whereas the westerly end of the roadway is 8.5 metres wide. A municipal sidewalk is located on the south side of the roadway.

At my request, Transportation Services Division staff attended a public meeting on May 5, to discuss the concerns of the residents and to determine if the existing parking prohibitions on the south side of the roadway between Glenmount Avenue and the east lot line of 519 Coldstream Avenue could be amended. At the commencement of the meeting the residents of the roadway and the members of the Kollel Avreichim, had indicated that they have recently achieved a compromise that would address all parties concerns and as such requested Transportation Services endorsement. This compromise would require that the existing parking prohibitions on the south side of the roadway be amended as follows:

- Permit three hour parking on the south side of the roadway from Glenmount Avenue to the east lot line of 521 Coldstream Avenue; and
- Prohibit Stopping at Anytime on the south side of the roadway from the east lot line of 521 Coldstream Avenue to the east lot line of 519 Coldstream Avenue

Staff has reviewed the submission by the residents and the members of the Kollel Avreichim and have confirmed that the above submission is acceptable, however would also recommend that parking at anytime be prohibited on the south side from Glenmount Avenue to a point 15 metres east thereof.

The amendment to the existing parking restrictions on the south side of Coldstream Avenue will provide the Kollel Avreichim with approximately 5 on-street parking spaces and still maintain two-way traffic flow on the narrow section of the roadway and allow unrestricted access and egress to the residential properties along this section of the roadway.

It should be noted that all costs associated with the amendments of parking regulations will be included within the Transportation Services Division's 2010 Operating Budget estimates.

RECOMMENDATIONS:

That North York Community Council:

1. Amend Schedule VIII of By-law No. 31001, of the former City of North York, to delete the no parking at anytime prohibition on the south side of Coldstream Avenue from Glenmount Avenue to a point 80 metres east thereof; and
2. Amend Schedule IX of By-law No. 31001, of the former City of North York, to install no stopping at anytime prohibition on the south side of Coldstream Avenue from a point 60 metres east of Glenmount Avenue to a point 20 metres east thereof;

Date

According to Chapter 27, Council Procedures:

Fiscal Impact Statement provided	*
Should have Fiscal Impact Statement prior to debate	
Requires two-thirds to waive requirement if Council wishes to debate	
Should be referred to Committee/Community Council	
Requires two-thirds vote to consider at this meeting	
Motion Recommendations are Urgent – (e.g. Health and Safety)	

* Deputy City Manager and Chief Financial Officer to advise.

Members should discuss their Motions with appropriate City staff to ensure the correct information is included.
