

MOTION

NORTH YORK COMMUNITY COUNCIL Switch Gear Box Relocation-Doris & Byng Ave		
Moved by:	Councillor John Filion	

1. That the General Manager, Transportation Services and the Executive Director, Technical Services, be directed to coordinate the removal and relocation of the switch gear box from its present location at the intersection of Doris and Byng Avenues to a more suitable location.
2. That Toronto Hydro be requested to work with the City to minimize costs involved in this work.
3. That the General Manager, Transportation Services and the Executive Director, Technical Services, be requested to review the criteria involved in the siting of switch gear and other utility boxes and to report back on placing them underground or within existing structures, so that they cease to be visual intrusions in the right-of-way or in publicly accessible open space.
