

Stopping Prohibitions: Ashgrove Place

Date:	May 21, 2010
To:	North York Community Council
From:	Director, Transportation Services Division, North York District
Wards:	Ward 34 – Don Valley East
Reference Number:	<i>ny10067</i>

SUMMARY

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with the City policy or by-laws.

To obtain approval to prohibit stopping, on the west side of Ashgrove Place from the north limit of Mallow Road to the north limit of Ashgrove Place between the hours of 8:00 a.m. to 5:00 p.m., Monday to Friday.

The implementation of stopping restrictions will address the residents' concerns of vehicles parked on both sides of Ashgrove Place by parents during pick-up and drop-off times at the nearby school on Mallow Road.

RECOMMENDATIONS

Transportation Services Division, North York District, recommends that North York Community Council:

1. Amend Schedule IX of By-law No. 31001, of the former City of North York, to prohibit stopping on the west side of Ashgrove Place from the north limit of Mallow Road to the north limit of Ashgrove Place between the hours of 8:00 a.m. and 5:00 p.m., Monday to Friday.

Financial Impact

All costs associated with the installation of the stopping prohibitions are included within the Transportation Services Division's 2010 Operating Budget.

ISSUE BACKGROUND

The Transportation Services Division, North York District, was requested by Councillor Minnan-Wong, on behalf of local residents, to amend the current parking/stopping regulations on the west side of Ashgrove Place north of Mallow Road. Vehicles parked on both sides of Ashgrove Place during pick-up and drop-off activities at the nearby school restrict the flow of two-way traffic and obstruct access to residential driveways.

COMMENTS

Currently, parking is permitted for a maximum period of three hours on both sides of Ashgrove Place. Ashgrove Place is classified as a local roadway with a speed limit of 50 km/h. There are no sidewalks on either side of the street.

This division has verified the residents' concerns and recommends implementing stopping restrictions on the west side of Ashgrove Place from the north limit of Mallow Road to the north limit of Ashgrove Place between the hours of 8:00 a.m. to 5:00 p.m., Monday to Friday.

The installation of stopping prohibitions on the west side of Ashgrove Place would not have a negative impact on the availability of on-street parking for residents.

Councillor Minnan-Wong supports the recommendations of this staff report.
