Re: Application for Funds to Hold a Special Heritage Community Event – Riverdale (Phase I) Heritage Conservation District

Dear Sir/Madam,

Please find attached an application for up to \$650.00 to hold a special heritage community event in South Riverdale related to the Riverdale (Phase I) Heritage Conservation District, established in 2008.

As you may recall, an application for funds was submitted in both 2008 and 2009, but in each case, Preservation Board approval was not obtained until very late in the year, preventing our community from holding a BBQ during reasonably warm weather. The funding made available to us was therefore never used.

As such, we would be grateful if this application could be placed on the Heritage Preservation Board agenda before the summer recess, so that, if funding is again approved, we may hold the BBQ in the late September/early October 2010, while the weather is still agreeable.

Sincerely,

Jonathan Mousley
Chair
Riverdale (Phase I) Heritage Conservation District
