

Appendix 2 – Additional Negotiable Terms and Conditions

1. Any limitations of liability or changes to indemnities, including any waivers of consequential damages, if such limitations or changes are appropriate and considered commercially reasonable, as determined in accordance with the Council approved Policy on Limitations on Liability and Indemnities in the Procurement of Specialized Goods and Services for Toronto Water, Solid Waste Management Services and Technical Services;
2. Clarification of the City's and AECOM's respective responsibilities for pre-existing Buried Waste under the proposed new SSO facility at the Disco Transfer Station; and
3. Project Schedule for the design, construction and commissioning of the SSO facility.
