To: Public Works and Infrastructure Committee

From: Toronto Pedestrian Committee

Subject: **Street Hockey**

Recommendations:

The Toronto Pedestrian Committee recommends to the Public Works and Infrastructure Committee that it request the General Manager, Transportation Services, to report on options for accommodating the playing of ball sports on residential streets in Toronto.

Background:

The Toronto Pedestrian Committee on May 10, 2010, considered a proposal by Matthew Blackett regarding the use of City streets for playing hockey.

The Toronto Pedestrian Committee also considered a report by Graham Bailey, Pedestrian Projects, Transportation Services, regarding Street Hockey and Other sports or Games on City Streets.
