

CONDOLENCE MOTION

Moved by: Councillor Ashton

Seconded by: Councillor Heaps

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Fred Foster, on Friday, May 7, 2010, at the age of 89.

Although Fred was well known throughout the community as a Real Estate Broker, he was tireless in giving back to the community throughout his life.

Countless children and youth benefited from Fred's generosity and leadership as a Cub master.

Fred's energy was famous and boundless, best exemplified by many awards and recognitions, including 1976 Scarborough Citizen of the Year, Queen's Golden Jubilee Medal for volunteerism, 70 year life member of Scouts Canada, Founder of Camp Wilmac, Wood Badge Holder (1964), Patron of the Milner Sports Club, Founder and past President of the Birchcliff Heights Ski Club, and forming the "Good Times Orchestra".

Fred will always be a reminder and exemplar of the tremendous volunteer spirit that has helped Scarborough grow and prosper.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Fred Foster's family and friends.
