Dear Ms Davies,

I am writing you in regards of the Sign Variance Meeting being held on Tuesday July 27, 2010 – Item: SB2.1 Four Third Party Sign Variances with respect to the South-westerly Corner of 1581 – 1589 The Queensway, Maxximum Outdoor Inc.

We received on Tuesday July 20, 2010, the Agenda for the Sign Variance Committee as well as the Staff Report Third Party Sign Variance Package, File No.: TP-10-00001. Since this package was sent to us 4 days prior to our Sign Variance Meeting, it doesn't allow us to address the comments for the Transportation Services section and the Established Criteria with the Chief Building Officials comments.

We would like defer this matter to allow us to consult with a Traffic Specialist regarding the Staff Report Third Party Sign Variance package comments.

If you could kindly advise us of the next required steps to defer our Sign Variance Meeting date that would be greatly appreciated.

Thank you for your time and consideration.

Best Regards,

Jason Garnet
