Dear Councillor Lee,

Re: Petition for Traffic Light

As you have discussed with you before, in the absence of a traffic light on Midland at Emblem Court/Goodland Gate, it poses potential risks for both pedestrians and driver who frequently access the said intersection. As a community services centre at 2330 Midland Avenue, which serves thousands of clients annually, including seniors and young families, we think it is of paramount importance that a traffic light be installed at this intersection to help both pedestrians and drivers.

Therefore, I have enclosed signed petitions from agencies and businesses within the Emblem Court area. It is my hope that with your passion and strength in building strong communities, you will be our champion in making our community a much safer place for our employees and clientele.

Thank you in advance for your support. Should you have any questions, please do not hesitate to contact me any time at (416) 292-7510 ext. 113.

Yours sincerely,

Moy Wong-Tam

Executive Director

PETITION

We, the undersigned, hereby petition to the City of Toronto to put in a traffic light to help people crossing Midland at the intersection of Goodland Gate/Emblem Court. In the absence of a traffic light at that intersection, many people cross the street from the bus stop at Goodland Gate/Emblem Court IN HEAVY TRAFFIC AT GREAT RISK. A traffic light will also help drivers making a left turn from Emblem Court on Midland.
