REQUIRES TWO/THIRDS VOTE TO REOPEN

Recommendation

That the Toronto and East York Community Council:

1. Reopen Item TE29.25, headed "Request for a Fence Exemption to the Toronto Municipal Code, Chapter 447 – Fences at 1733 Bloor Street West (Keele Subway Station)", adopted at its meeting on November 10, 2009.
2. Amend the Item by replacing the address "1733 Bloor Street West (Keele Subway Station)", wherever it appears with the address "21 Keele Street (Keele Subway Station)".
3. Grant the fence exemption at 21 Keele Street (Keele Subway Station).

Summary

This motion is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

At its meeting on November 10, 2009, Toronto and East York Community Council adopted Item TE29.25 recommending the granting of a fence exemption at 1733 Bloor Street West (Keele Subway Station), contained in a report dated October 20, 2009, from the Manager, Municipal Licensing and Standards, Toronto and East York District.

Subsequent to the meeting, it was determined that, although the information contained in the report with respect to the specifications of the fence was correct, the address identified was incorrect. The correct address of the Keele Subway Station is 21 Keele Street. Item TE29.25 needs to be reopened so that the Community Council can approve the required amendment to grant the fence exemption at 21 Keele Street (Keele Subway Station).
