Dear Ms Wu:

In your letter of September 15, 2009, you requested that a poll be conducted to determine if there was sufficient neighbourhood support for a Boulevard Café licence at 505 College Street.

Ballots were mailed out on October 14, 2009 with the last date for filing a response being November 12, 2009. The following is the poll result:

Total Owners, Tenants and Residents Polled	229
Mail Returned by Post Office	1
Total Eligible Voters (Total Polled Minus Returned by Post Office)	228
Ballots Added by Affidavit	1
No. of Returned Ballots Needed to Proceed (must be at least 25%)	58
Actual Number of Returned Ballots (Including those by Affidavit)	93
In Favour of this Boulevard Cafe	35
Opposed to this Boulevard Cafe	56
Spoiled Ballots	2
No Reply	136

I advise that the boulevard café licence cannot be approved pursuant to Chapter 190 of the Municipal Code, since a majority of the ballots received were not in favour. Please note this poll cannot be conducted again until November 12, 2011, two (2) years from the closing date of the poll.

Sincerely,

Re: Sidewalk/ Boulevard Café Application # A952367

I am writing in regards to your application for boulevard café privileges.

In accordance with the provisions of the former City of Toronto, Municipal Code, Chapter 313 a public poll was conducted and the results have been received.

The poll was conducted in accordance with the provisions of the City of Toronto Municipal Code, Chapter 190 polling. The Municipal Code states that a poll will be considered valid when at least 25% of the ballots that have been mailed must be returned and a majority must be in favour.

I advise that the boulevard café permit cannot be approved pursuant to Chapter 190 of the Municipal code, since a majority of the received ballots were not in favor. Please note this poll cannot be conducted again until November 12, 2011, two years from the closing date of the poll.

Should you require further information, please contact Pat Thornback at 416- 392-6700.

Yours truly,

Pat Thornback
