Dear Ms Wu:

In your letter of November 12, 2009, you requested that a poll be conducted to determine if there was sufficient neighbourhood support for a Boulevard Café licence at 780 Queen Street West.

Ballots were mailed out on December 2, 2009 with the last date for filing a response being December 31, 2009. The following is the poll result:

Total Owners, Tenants and Residents Polled	87
Mail Returned by Post Office	4
Total Eligible Voters (Total Polled Minus Returned by Post Office)	83
No. of Returned Ballots Needed to Proceed (must be at least 25%)	21
Actual Number of Returned Ballots	11
In Favour of Boulevard Café	9
Opposed to Boulevard Café	1
Spoiled Ballots	1
No Reply	72

Chapter 190 of the Municipal Code states that a poll can only proceed when at least 25% of the ballots mailed have been returned. This poll did not meet the minimum response rate and therefore is considered negative. Please note that this poll cannot be conducted again until December 31, 2011, two (2) years after the closing date of the poll.

Sincerely,

Andrew Kerr, Supervisor

Re: Sidewalk/ Boulevard Café Application # A954729

I am writing in regards to your application for boulevard café privileges.

In accordance with the provisions of the former City of Toronto, Municipal Code, Chapter 313 a public poll was conducted and the results have been received.

The poll was conducted in accordance with the provisions of the City of Toronto Municipal Code, Chapter 190 polling. The Municipal Code states that a poll will be considered valid when at least 25% of the ballots that have been mailed must be returned and a majority must be in favour.

Chapter 190 of the Municipal Code states that a poll can only proceed when at least 25% of the ballots mailed have been returned. This poll did not meet the minimum response rate and therefore is considered negative. Please note that this poll cannot be conducted again until December 31, 2011, two (2) years after the closing date of the poll.

Should you require further information, please contact me at 416- 392-6700.
