To:	Toronto and East York Community Council
From:	Municipal Licensing and Standards Division, Toronto and East York District
Wards:	Ward 30 – Toronto – Danforth
Reference Number:	IBMS No. 10-143859

SUMMARY

This staff report is about a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision. The applicant is the property owner who has requested a review of a notice given for graffiti in accordance with the provisions of the City of Toronto Municipal Code, Chapter 485 Graffiti to give consideration to the wall markings being classed as an Art Mural.

The Graffiti by-law provides in section 4E that an owner on whom a notice has been issued may request that the issuance of the notice be reviewed by the Toronto and East York Community Council on the basis that the markings are exempt as an art mural.

RECOMMENDATIONS

The Municipal Licensing & Standards Division recommend that the Toronto and East York Community Council not exempt the markings at 89 Dagmar Avenue as an art mural by confirming the notice and directing that a second notice be issued.

Financial Impact

There is no financial impact anticipated in this report.

DECISION HISTORY

The Municipal Licensing and Standard Division received a written request for exemption from the Graffiti by-law to permit the review of a graffiti notice issued. Representation has been made by the owner that the wall markings are an art mural. (Attachment 1.)

ISSUE BACKGROUND

The City of Toronto Municipal Code Chapter 485, Graffiti defines **graffiti** as “*one or more letters, symbols, figures, etchings, scratches, inscriptions, stains or other markings that disfigure or deface a structure or thing, howsoever affixed on the structure or thing, but for greater certainty, does not include an art mural*”.

The City of Toronto Municipal Code Chapter 485, Graffiti defines **art mural** as “*a mural for a designated surface and location that has been deliberately implemented for the purpose of beautifying the specific location*”.

The subject graffiti for which exemption as an Art Mural has been requested consists of a large tag that appears to be signature type wall marking on the garage door.

COMMENTS

The City of Toronto Council enacted the amalgamated By-Law 123-2005 on February 16, 2005 to provide a means to deal with issues of graffiti and further to permit the review of a notice issued to remove graffiti on the basis that it be exempted as an art mural. This By-Law and the amendments are now found in the Toronto Municipal Code, Chapter 485 - Graffiti.
