Proposed Parking Prohibition – Derby Street

Date:	June 3, 2010
To:	Toronto and East York Community Council
From:	Director, Transportation Services Toronto and East York District
Wards:	Toronto Centre-Rosedale, Ward 28
Reference Number:	Ts10093te.top.doc

SUMMARY

This staff report is about a matter for which Community Council has been delegated authority from City Council to make a final decision.

Transportation Services is requesting approval to change the existing ‘No Parking 8:00 a.m. to 10:00 a.m., Mon-Fri’ regulation on the south side of Derby Street to ‘No Parking 8:30 a.m. to 10:00 a.m., Mon-Fri’ in order to accommodate resident concerns but still deter commuter parking.

RECOMMENDATIONS

Transportation Services recommends that Toronto and East York Community Council:

1. Amend the existing ‘No Parking 8:00 a.m. to 10:00 a.m., Monday to Friday’ regulation on the south side of Derby Street, from a point 46.5 metres east of Parliament Street to Erin Street to ‘No Parking 8:30 a.m. to 10:00 a.m., Monday to Friday’.

Financial Impact

Funds to undertake the necessary signage adjustments in the estimated amount of \$500 are contained in the Transportation Services Division 2010 Operating Budget.

ISSUE BACKGROUND

Transportation Services has been requested to investigate amending the hours of the existing ‘No Parking’ regulation in order to provide parking for area residents that leave for work later in the morning.

COMMENTS

Derby Street runs one-way westbound from Erin Street to a point 37.5 metres east of Parliament Street at which point it changes to two-way operation up to Parliament Street. There is no regular TTC service on Derby Street. The parking controls are as follows:

North Side

- Parliament Street to Erin Street – No Parking Anytime

South Side

- Parliament Street to a point 46.5m east – No Parking Anytime

- a point 46.5m east of Parliament Street to Erin Street – No Parking 8:00 a.m. to 10:00 a.m., Monday to Friday

The existing ‘No Parking 8:00 a.m. to 10:00 a.m., Monday to Friday’ regulation was put in place to deter commuter parking. Transportation Services has been advised that area residents are receiving tickets for parking on Derby Street after 8:00 a.m.. Amending the existing regulation to start at 8:30 a.m. would rectify this situation while still deterring commuter parking.
