for 2010 Canadian National Exhibition – Community  
Council**

<b>Date:</b>	June 4, 2010
<b>To:</b>	Toronto and East York Community Council
<b>From:</b>	Director, Transportation Services Toronto and East York District
<b>Wards:</b>	Parkdale-High Park, Ward 14; Davenport, Ward 18

**SUMMARY**

---

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. The traffic and parking amendments recommended are required to enhance traffic operations and pedestrian safety during this year’s Canadian National Exhibition (C.N.E.), which takes place from August 20 to September 6, inclusive.

**RECOMMENDATION**

---

**Transportation Services recommends that:**

1. Toronto and East York Community Council approve the temporary traffic and parking regulations on streets in the vicinity of Exhibition Place which are impacted during the Canadian National Exhibition, as noted in Appendix “A” of this report.

**Financial Impact**

Funds in the amount of \$6,000.00 are available within the Transportation Services Division 2010 Operating Budget.

## **ISSUE BACKGROUND**

Annually, Transportation Services staff receive Community and City Council authority to implement a number of traffic and parking regulations on various streets in the vicinity of Exhibition Place which are impacted by the C.N.E.

## **COMMENTS**

Having regard for the high volume of vehicular and pedestrian traffic generated during this annual event, the temporary traffic/parking regulations as shown in the attached Appendix "A" will help maintain efficient traffic conditions in the general area of the C.N.E. while recognizing the impacts on local residents. None of the streets listed in Appendix "A" have regular TTC routes. It is noted that a companion report is also submitted relating to temporary traffic and parking adjustments for the 2010 C.N.E. for streets served by transit routes and requiring City Council approval.
