**Re: Request to Change Permit Parking to East side of Parkmount Rd**

I am in receipt of a petition from the residents of Parkmount Road requesting a change in permit parking permanently to the east side of Parkmount.

This change would have no bearing on snow removal and would increase the number of parking spots available for residents.

I am in support of this change and am requesting that Transportation Services bring this item to Toronto and East York Community Council on June 22 so the by-law can be changed.

Sincerely

Paula Fletcher  
City Councillor, Ward 30
