RE: Delaying curb reinstatement at 10 Glenayr Rd.

DATE: August 10, 2010

---

### Recommendations

1. That City Transportation Staff delay the reinstatement of the curb in front of 10 Glenayr Rd until after the current front yard parking appeal by the property's owners has been heard by TEYCC next term.

### Background

The current owners of 10 Glenayr Rd purchased the property in 2008, and inherited an outstanding order to reinstate the curb given to the previous owners, who had illegally cut the curb to allow for two car parking in their driveway. The current owners have appealed the order and the appeal is underway. This motion is to ensure the City does not reinstate the curb prior to the appeal being heard.

Sincerely,
