Re: TE 30.78 Draper Street Traffic Calming– adjustments to speed hump locations

Dear Colleagues,

In January 2010, the Toronto and East York Community Council voted to approve moving forward with a poll of eligible residents regarding traffic calming on Draper Street in my ward.

I would like to request that part 2a of the decision on TE 30.78 be amended to substitute drawing number 421F-9973 dated March 2010 (copy attached). This change would add one additional speed hump to the street (to a total of three), and relocate the humps to more appropriate locations on the street.

Please do not hesitate to contact me with any questions.

Sincerely,

Adam Vaughan
