Dear Ms. Bussin

On behalf of the Beaches Festival Committee we would like to kindly request that you put forward a motion to the Downtown Community Council at the next meeting to have the Beaches Festivals declared events of municipal significance. The Festivals for 2010 include:

- | | |
|---|----------------------|
| • Waterfront Blues at Woodbine Park | June 4 – 5 - 6 |
| • Beaches Canada Day Jam at Woodbine Park | July 1 st |
| • Beaches Jazz Festival at Woodbine Park | July 16 – 17 – 18 |
| • Beaches Jazz Festival at Kew Gardens | July 24 – 26 |

These festivals are signature events for Toronto and ones that have positive economic impact on the Beach community. The music festivals are a celebration of the beaches culture and entertainment.

Yours truly,

Lido Chilelli
