

**STATUS REPORT
BOARD OF MANAGEMENT RESOLUTIONS
As at 2010-11-08**

DATE	MOTION (Ref: Minute #)	STATUS
2009-01-22	17. Towards a Carbon-Neutral Toronto Zoo	
	The Chief Executive Officer write to the provincial Minister of Energy requesting approval of an allocation to the Toronto Zoo of up to 20 megawatts per year of green energy contracts in its Standard Offer Program.	IN PROGRESS. Zoo staff will proceed with a formal request to the Ministry of Energy and Infrastructure and Ministry of the Environment for an allotment of electrical-grid space through the Ontario Power Authority subsidy mechanism "the Feed-In-Tariff Program" (replacing the Standard Offer Program) once a shovel-ready renewable energy project has been approved by the Board.
2009-02-26	30. Acquisition of Southern White Rhinoceros	
	Directed that, for the 2010 budget cycle, the Chief Executive Officer include reporting and recommendations with respect to an asset management approach for the animal collection that takes into account: <ul style="list-style-type: none"> - population numbers - current age - expected specimen lifespan - expected direct and indirect acquisition, replacement or disposal costs - sensitivity analysis around liability associated with potential replacement - ensuring that there is appropriate funding in the Animal Transaction Reserve for the short to long term any other such factors and recommendations as the CEO sees appropriate 	COMPLETED. A briefing on the animal transaction forecast was provided to the Management Committee on 2010-11-08.

DATE	MOTION (Ref: Minute #)	STATUS
2009-07-16	85. 2009-2014 Strategic Plan	
	Report to the Board of Management as soon as possible on an aggressive plan with recommendations on how to lobby the Municipal, Provincial and Federal Governments for funding towards the Zoo's Capital Campaign.	IN PROGRESS. Included with the capital campaign preparation plan.
2009-10-02	100. Giant Panda Acquisition	
	2. The Board formally supported and directed that a national partnership to secure giant pandas be explored with the Calgary Zoo, potentially other interested AZA accredited institutions, and/or the Federal Government, and that these partnership discussions be led by the Chair of the Fundraising and Sponsorship Committee working with the Chair and Vice Chair of the Board.	COMPLETED. Toronto, Calgary and Granby zoos met with Chinese officials in China in October to begin negotiations regarding a Giant Panda Co-operation and Research Project.
	101. 2010-2014 Capital Works Program	
	2. A Request for Proposals be issued that would include a front entrance and parking renovation that is revenue neutral or positive to the Zoo	IN PROGRESS. Specifications for an RFP are being developed.
2010-01-25	ZB1.11 Committee Structure and Composition	
	5. Directed that at least one additional member be appointed to the Animal Acquisition Committee.	IN PROGRESS. A request has been sent to Board members.
2010-05-06	ZB4.2 Veterinary Fellowship Program	
	2. Requested the Chief Executive Office to report to the Board of Management of the Toronto Zoo on the feasibility of creating a Wildlife Veterinary Rehabilitation Specialist within the Veterinary Fellowship Program, and/or with other partnership opportunities, as part of the 2011 Operating Budget.	IN PROGRESS. Dependent on external funding to support the new program. Report will be submitted to the Board.
