MOTION

2280882 Ontario Inc. has made an application to the Alcohol and Gaming Commission of Ontario ("**AGCO**") for a liquor licence for the premises located at 30 Beverly Hills Drive to operate as Classic Lounge ("**Premises**"). The application is for an indoor capacity of 720 persons and an outdoor patio with a capacity of 108 persons.

The Registrar of the AGCO should be requested to issue a Proposal to Review the liquor licence application. Issues including, but not limited to, security, crowd control, noise, litter and safety of the patrons, public and staff must be addressed and appropriate conditions must be attached to the licence. This application for a liquor licence is not in the public interest unless conditions, addressing the concerns of the community, as set out above, are attached to the licence.

RECOMMENDATIONS:

That City Council direct the City Clerk to advise the Registrar of the Alcohol and Gaming Commission of Ontario that the liquor licence application for Classic Lounge, 30 Beverly Hills Drive ("**Premises**"), is not in the public interest having regard to the needs and wishes of the residents and that the Registrar should issue a Proposal to Review the liquor licence application.

That City Council request the Licence Appeal Tribunal ("**LAT**") to provide the City with an opportunity to be made a party to any proceedings with respect to the Premises.

That the City Solicitor be authorized to attend all proceedings before the LAT in this matter and be authorized to take all necessary action so as to give effect to this Motion, including adding conditions to any liquor licence issued for the Premises, in consultation with the Ward Councillor.
