### **SUMMARY**

---

As the Toronto Transit Commission (TTC) operates a rush hour transit service on Vaughan Road from Oakwood Avenue to Northcliffe Boulevard, City Council approval of this report is required.

To obtain approval to install an accessible on-street parking space adjacent to 681 Vaughan Road.

The installation of the accessible on-street parking space will address the needs of the resident of 681 Vaughan Road while only reducing the available on-street parking by one space.

### **RECOMMENDATIONS**

---

Transportation Services, North York District recommends that City Council:

1. Approve the installation of one accessible on-street parking space on the north side of Vaughan Road from a point 33 metres west of Bude Street to a point 5.5 metres further west.

### **Financial Impact**

All costs associated with the installation of an Accessible On-Street Parking Space are included within the Transportation Services 2011 Operating Budget.

## **ISSUE BACKGROUND**

Transportation Services, North York District received a request from a resident of 681 Vaughan Road to investigate the feasibility of installing an accessible on-street parking space on the north side of Vaughan Road adjacent to their residence.

## **COMMENTS**

Vaughan Road between Glenholme Avenue and Bude Street is designated as a collector roadway with a pavement width of 11 metres. Municipal sidewalks are located on both sides of the roadway.

Currently, parking is prohibited at anytime on the south side of this section of Vaughan Road. Parking is permitted for the maximum period of three hours on the north side of this section of the roadway.

Overnight permit parking operates from 12:00 a.m. to 6:00 a.m. on the north side of this section of Vaughan Road. Traffic Planning and Right-of-Way Management has indicated that 86 on-street permit parking spaces are available on Vaughan Road and only 24 parking permits have been issued to residents.

The applicant is a holder of a valid "Accessible Parking Permit" issued by the Ministry of Transportation of Ontario.

The requested location of the designated parking space will be on the north side of Vaughan Road in front of 681 Vaughan Road. The creation of this designated parking space will not result in the deprivation of more than one On-Street parking space.

As such, this Division has no objections to the installation of the accessible on-street parking space in front of 681 Vaughan Road.

The Ward Councillor has been advised of the recommendation contained within this staff report.
