2 Introduction

The City of Toronto provides resources and support to Councillors through these mechanisms:

2.1 Council General Expense Budget

Clarification

- To fund centralized support and resources for all Councillors. See Appendix 1.

2.2 Councillor Business Travel Budget

Clarification

- To fund inter-governmental related business travel. See Appendix 1.

2.3 Councillor Staffing Budget

Clarification

- A discretionary Staffing Budget is provided to each Councillor in an amount equivalent to the top of the salary range for three staff – an Executive Assistant, an Administrative Assistant and a Constituency Assistant.
- The budget is to pay for Councillor staff salaries.
- Any over-expenditure in Councillor staff salary can be paid by the discretionary Office Expense Budget.
- Councillors cannot transfer salary budget between years or use their Staffing Budget to pay for office expenses.

2.4 Councillor Office Expense Budget

Clarification

- Discretionary office budget allocated to each Councillor to pay for expenses that are allowable in the Policy.
- 2012 level is set at \$30,000 per year.
- Councillors must not exceed their annual Office Expense Budget limit, whether using City funds or personal funds. If they exceed the Office Expense Budget limit using City funds, they must repay the City using personal funds. The City Clerk will report to the Integrity Commissioner the names of those Councillors who exceed the Office Expense Budget limit.
- Kilometrage, parking, wireless devices, business meals paid for using personal funds do not require reporting to the City Clerk and will not be counted towards the \$30,000 limit.
- Councillors cannot transfer office budgets between years.
- Councillors can accept up to \$10,000 (in cash or in-kind) each year for Council Member-Organized Community Events. Expenses incurred for these events and paid for by the donation are not included in the \$30,000 Office Expense Budget limit. Donations accepted and related expenditures are reported as part of Councillor Expenses' disclosure. See Appendix 3.

The Councillor Expense Policy addresses allowable expenses from the Councillor Office Expense Budget.

2.5 Program Budget

Certain expenses are program expenses and are paid for by Program Budgets, including but not limited to City Hall and civic centre office facilities maintenance, custodial, operations, state of good repair, City Hall and civic centre security, IT network and infrastructure support and Councillors' IT desktop and application support. Appendix 1 describes some of the centralized resources paid for by Program Budgets.

3 Guiding Legislation and By-laws

The *City of Toronto Act, 2006*, S. 131, describes the role of City Council:

- To represent the public and consider the well-being and interests of the City;
- To develop and evaluate the policies and programs of the City;
- To determine which services the City provides;
- To ensure that administrative policies, practices and procedures and controllership policies, practices and procedures are in place to implement the decisions of Council;
- To ensure the accountability and transparency of the operations of the City, including the activities of the senior management of the City;
- To maintain the financial integrity of the City; and
- To carry out the duties of Council under this or any other Act.

The *City of Toronto Act, 2006* and the City's Code of Conduct for Members of Council require Members to act lawfully, honestly and exercise a reasonable degree of care and diligence in carrying out their functions. Members are ultimately accountable to the public and their constituents.

Code of Conduct and Lobbying By-law

- Councillors are reminded that a breach of the Councillor Expense Policy is considered a breach of the Code of Conduct.
- The Councillor Expense Policy should be read in conjunction with the Code of Conduct, including but not limited to section IV) Gifts and Benefits and section XV) Failure to Adhere to Council Policies and Procedures. See Appendix 2.
- Councillors should also ensure that the Lobbying By-law and the Council-approved Policy on Donations to Council Member-Organized Community Events are complied with in all their transactions under this policy. See Appendix 3.
- Councillors should consult with the Integrity Commissioner or the Lobbyist Registrar about the potential impact of any expense transaction on their compliance with the Code of Conduct and the Lobbying By-law.
- If the Integrity Commissioner has provided any advice to a Councillor and there is a subsequent Code of Conduct complaint on the matter, the Integrity

Commissioner will be bound by the advice that has been provided, as long as all relevant facts have been provided by the Councillor.

- The role of the Councillor as a Member of Council and their role as an individual and a business operative must be kept separate and distinct.

Municipal Elections Act, 1996

Clarification

- Councillors should be aware of the requirements of the *Municipal Elections Act, 1996*, especially with regard to the requirements of campaign financing.
- The role of the Councillor as a Member of Council and their role as a candidate in an election campaign must be kept separate and distinct.

4 Policy Overview

4.1 Purpose

This policy guides the expenditures that support Councillors in performing their diverse roles and in representing their constituents. The budget allows Councillors to:

- Communicate with their constituents about the meetings and activities of City Council and its committees.
- Communicate with their constituents about the business and services of the City and its agencies.
- Enhance and promote a harmonious community in their wards.
- Administer their offices in City Hall and in their communities.
- Represent the City at functions or events.

The policy is intended to:

- Provide Councillors with the flexibility to allocate resources in the most efficient way to meet their own particular requirements.
- Simplify the processes that Councillors and their staff use to administer their budgets by eliminating unnecessary rules.
- Recognize Councillors' accountability for managing City resources allocated to them.

The City of Toronto funds Councillor expenses that:

- Fall within the general categories of expenditures that this policy outlines.
- Are within the limits that City Council has set for its Members.
- Are non-partisan or personal in nature.
- Are not third-party expenses.

Clarification

- Do not support or feature any candidate in any municipal, school board, provincial, federal election or by-election, or promote consent or rejection of a question that has been submitted to electors.

Councillors are personally responsible for expenditures that do not fall within these criteria. The Director of Council and Support Services is available to help Councillors and their staff understand these criteria and to help them plan their budgets and expenditures.

4.2 Scope

The policy sets out the rules that apply on how transactions are to be conducted when Councillors use their discretionary Office Expense Budget.

The policy does not apply to expenses funded by City programs, agencies and corporations.

NEW

4.2.1 Application to the Mayor's Office

The *City of Toronto Act, 2006* defines a dual role for the Mayor – as Head of Council and as Chief Executive Officer of the City.

S. 133 (1) states:

It is the role of the Mayor as the head of council,

(a) to act as chief executive officer of the City;

(b) to preside over meetings of council so that its business can be carried out efficiently and effectively;

(c) to provide leadership to council;

(d) to represent the City at official functions; and

(e) to carry out the duties of the head of council under this or any other Act. 2006, c. 11, Sched. A, s. 133 (1).

S. 134 states:

As chief executive officer of the City, the mayor shall,

(a) uphold and promote the purposes of the City;

(b) promote public involvement in the City's activities;

(c) act as the representative of the City both within and outside the City, and promote the City locally, nationally and internationally; and

(d) participate in and foster activities that enhance the economic, social and environmental well-being of the City and its residents. 2006, c. 11, Sched. A, s. 134.

The role of the Mayor is different from that of a City Councillor and the Mayor's Office operates with a program budget – the Mayor's Office annual operating budget – instead of a Councillor Office Expense Budget and a Councillor Staffing Budget.

The following aspects of the Councillor Expense Policy are applicable to the Mayor's Office:

Section 4

- 4.3 – Principles
- 4.4 – Purchasing, Accounting and Payment Procedures
- 4.5 – Roles and Responsibilities. Reference to City Councillors will be replaced with the Mayor, and references to the Councillor Office Expense Budget will be replaced with the Mayor's Office operating budget.
- 4.6 – Using Personal Funds, Furniture and Equipment
- 4.7 – Councillor Expenses during an Election Year
- 4.8 – Review Process
- 4.9 – Disclosure
- 4.10 – Future Policy Updates

Section 5

Details of allowable and not allowable expenses apply to the Mayor's Office.

The following exceptions apply for the following Expense Categories:

- Photocopying – Mayor's Office has their own photocopier.
- Transportation – Kilometrage and Parking – the Mayor's Office can choose to use a City vehicle and pay for its usage, upkeep and gas.

Appendix 1 – Resources available to Councillors

All sections apply to the Mayor's Office except in section 4(1) Staff Hiring – the Mayor's Office has different job classifications and salary bands from Councillor staff and the Mayor authorizes all hiring for the Mayor's Office.

4.3 Principles

When interpreting this policy, the following principles should be kept in mind:

a. Autonomy of Council

- City Council, as the decision-making body of the City, is separate and distinct from the City administration.
- The autonomy of Council is provided for in the *City of Toronto Act, 2006*.

b. Integrity of Council

- The integrity of City Council as a whole and the Office of the Councillor must be protected.
- The interest of City Council as a whole takes precedence over the personal interest of individual Members of Council.

c. Accountability

- Since Councillors use public funds when they perform their duties, the public expects public funds to be used prudently.
- Councillors are the stewards of City resources and are ultimately accountable to the public and their constituents for the type and level of expenses they incur.
- Councillors' expenses must be reasonable and reflect what the public expects of an elected official.
- Councillors' business expenses and personal expenses must be kept separate. **Business expenses should not add value to personal assets.**

Clarification

d. Transparency

- The public has a right to know how public funds allocated to Councillors are spent.
- The public's right to Councillors' expense information must be balanced against the need to protect privacy and personal information, and allow time for proper accounting and reconciliation of expenses.

e. Equitable Access to Resources

- There should be a level playing field among all Councillors irrespective of personal financial circumstances.
- Councillors should have access to the same level of funding to run their offices.

f. Flexibility and Limits

- Councillors require flexibility to perform their roles, operate their offices and pursue their interests.
- Councillors engage their communities differently.
- Expenditures must not conflict with rules set out in the *Municipal Elections Act, 1996* and other legislations. See Appendix 2.

- All accounting, audit and *Income Tax Act* principles and rules must be followed.

4.4 Purchasing, Accounting and Payment Procedures

a. Purchasing Procedures

Clarification

The following sets out how Councillors purchase goods and services and the purchasing procedures related to purchases of different values. The Director, Council and Support Services is available to provide advice on purchasing procedures, assist with vendor lists and obtaining quotations, and prepare purchasing documents. Generally, it is advisable that Councillors consult with the Director, Council and Support Services prior to ordering any goods or services.

The following sets out whether quotations are required:

Clarification

Less than \$3,000:	No quotations required.
\$3,000 to \$7,500:	3 quotations recommended, but not required.
More than \$7,500 to \$10,000	3 quotations required (documented verbal, fax, phone, internet, newspaper advertisements, flyers).
More than \$10,000 to \$30,000:	3 written quotes required, either by letter, e-mail or fax.
More than \$30,000 over multiple years:	Formal purchasing process and requires working with the Director, Council and Support Services to initiate and process the purchase.

Clarification

In situations where the value of purchase requires three quotations but there is a particular vendor which the Councillor wishes to use, a sole source request form must be prepared. The Director, Council and Support Services will provide assistance in preparing the appropriate documentation, including the sole source request form. Councillors must provide specific valid reasons when choosing to use only one particular vendor.

For the purchasing of consulting service, a formal agreement is required with the vendor. The Director, Council and Support Services will provide assistance on drafting the required agreement.

For IT Purchases, Councillors must use the Request for IT Purchase Form (Form D). All IT equipment connected to the City's network must comply with corporate standards and security requirements and all such purchases must be done through City Clerk's Office IT staff.

b. Accounting Procedures

Councillors' claims for expenses must follow basic accounting and audit principles:

Clarification

- Expenses must relate to the business of the City of Toronto.
- When providing supporting documentation for justifying business expenses related to kilometrage, parking and taxi rides, Councillors need to provide the specific details about these expenses as outlined in Section 5 – *Transportation – Kilometrage and Parking* and *Transportation – Taxi*.
- Councillors or their staff must incur the expenses. Expenses incurred by third parties cannot be claimed.
- Councillors and their staff cannot claim expenses of a personal nature. Where an invoice contains expenses of a personal nature, Councillors or their staff must reimburse the City for those personal expenses when they submit the request for reimbursement or payment of the allowable expense to the Director, Council and Support Services.
- Councillors and their staff must provide proper documentation, including detailed original receipts, for all expense claims. Credit card receipts or statements alone are not sufficient and will not be accepted. In the case of any on-line purchases, a copy of the confirmation must be attached to the claim.
- Invoices must include a description of the goods purchased or services rendered, the cost, applicable taxes and HST Registration Number.
- Equipment purchased with City funds is considered City property and must be returned to the City at the end of the term or earlier if the Councillor leaves office.
- Councillors or their authorized staff must sign off all receipts or invoices with original signatures. Documentation with signature stamps or electronic signatures will not be accepted.
- Delegation of signing authority to Councillor staff must be documented using the Delegation of Signing Authority Form (Form K) with original samples of signatures prior to the transaction.
- Councillors who are the only signing authority for their office must submit a signed Delegation of Signing Authority Form (Form K) to confirm this. The form will be kept on file as a sample of the Councillor's signature.
- Expenses must be charged to the year in which they occurred. Expenses cannot be carried forward to different years.
- Councillors who charge for goods against the current year must have received the goods and/or services from the vendor before December 31 of the year.
- At the end of the year, when expenses have been incurred but invoices are not yet received, Councillors must inform the Director, Council and Support Services so that a proper accrual can be set up. Invoices from previous years that have not been set up as accruals will not be paid or reimbursed from the previous year's budget. Payment may be made against the current year's budget.

Clarification

Clarification

- In cases where an invoice for a prior year expense is submitted to the Director, Council and Support Services for payment, it must be accompanied by an explanation on why the expense was not set up as a prior year accrual. The invoice will be paid from the current year budget under the condition that there were sufficient funds in the prior year budget to cover this expense had the invoice been submitted in the proper calendar year.

NEW

- The City of Toronto can claim 100% of GST, and 78% of the 8% Ontario part of HST. The total tax rebate is equal to 11.24% of the 13% HST. The non-refundable portion of 1.76% of the HST will be included in the amount charged to the Councillors' Office Expense Budgets.

Clarification

- Summaries of expenses paid and budget remaining in the Councillor's Office Expense Budget are provided to Councillors in real-time through the Councillor Expense Dashboard. If there are any discrepancies or disagreement, Councillors must advise the Director, Council and Support Services immediately.

- Councillors may from time to time receive reimbursement or arrange payment of expenses from their Office Expense Budget and wish to use personal funds for these expenses instead. Councillors can reimburse the City for these expenses.

- If the repayment occurs within the same financial year, the repaid funds will be credited back to the Councillor's Office Expense Budget.
- If the repaid expense is an office expense and not a personal expense, the repaid amount will be considered Use of Personal Funds for office expenses. Office expenditures, whether using personal funds or City funds, cannot exceed \$30,000.
- If the repayment occurs for a prior year expense, the repaid funds will be credited to the Council General Expense Budget.

- In cases where there is a vendor discount credit or a refund that is received by the City, the funds will be:
 - Credited to the Councillor's Office Expense Budget if the credit or refund is received within the same calendar year.
 - Credited to the Council General Expense Budget if the credit or refund is received after the accounting year is closed.

c. Payment Procedures

- Expenses less than \$200 will be reimbursed through petty cash.
- City PCards, available through the Corporate PCard program, can be used by Councillor staff for booking hotel, transportation, conference registration and for the purchase of low-value materials and supplies. Councillor staff who use PCards must follow the procedures and guidelines, as set out on the Accounting Services website:
http://insideto.toronto.ca/finance/accounting_services/pcard.htm. Compliance with the corporate procedures and guidelines is required. Failure to abide by

Clarification

Legislation Guiding Councillor Expenses

Councillor expenses must also comply with the following statutes:

- Municipal Conflict of Interest Act
- Municipal Elections Act, 1996
- The Income Tax Act
- The Employment Standards Act
- Code of Conduct for Members of Council
- Council Code of Conduct Complaint Protocol (*adopted by City Council, July 2007*)
- City of Toronto Fraud Prevention Policy (*adopted by City Council, March 12, 2007*)

**EXCERPTS FROM:
CODE OF CONDUCT FOR MEMBERS OF COUNCIL
CITY OF TORONTO**

AUTHORITY

This Code of Conduct for Members of Council was amended and adopted by City Council on July 15, 16, and 17, 2008 (2008) EX22.6, as amended by Council) and amended by Council on July 6 and 7, 2010.

IV. GIFTS AND BENEFITS

No member shall accept a fee, advance, gift or personal benefit that is connected directly or indirectly with the performance of his or her duties of office, unless permitted by the exceptions listed below.

For these purposes, a fee or advance paid to or a gift or benefit provided with the member's knowledge to a member's spouse, child, or parent, or to a member's staff that is connected directly or indirectly to the performance of the member's duties is deemed to be a gift to that member.

The following are recognized as exceptions:

- (a) compensation authorized by law;
- (b) such gifts or benefits that normally accompany the responsibilities of office and are received as an incident of protocol or social obligation;
- (c) a political contribution otherwise reported by law, in the case of members running for office;
- (d) services provided without compensation by persons volunteering their time;
- (e) a suitable memento of a function honouring the member;
- (f) food, lodging, transportation and entertainment provided by provincial, regional and local governments or political subdivisions of them, by the Federal government or by a foreign government within a foreign country, or by a conference, seminar or event organizer where the member is either speaking or attending in an official capacity;
- (g) food and beverages consumed at banquets, receptions or similar events, if:
 - 1. attendance serves a legitimate business purpose;
 - 2. the person extending the invitation or a representative of the organization is in attendance; and
 - 3. the value is reasonable and the invitations infrequent;
- (h) communication to the offices of a member, including subscriptions to newspapers and periodicals; and
- (i) sponsorships and donations for community events organized or run by a member or a third party on behalf of a member, subject to the limitations set out in the Policy on Council Member-Organized Community Events.

Except for category (c) (political contributions allowable by law), these exceptions do not apply where such gifts or benefits are provided by lobbyists or their clients or employers (as defined or described in Municipal Code Chapter 140, Lobbying). For these purposes, a lobbyist is an individual, organization or business that:

- [i] is lobbying or causing the lobbying of any public office holder at the City, a local board (restricted definition) or the board of health;
- [ii] the member knows is intending to lobby, having submitted or intending to submit a registration to the Lobbyist Registrar for approval to communicate on a subject matter; or
- [iii] is maintaining an active lobbyist registration with the City even though not having a current active subject matter registered with the lobbyist registry.

In the case of categories (b), (e), (f), (g), (h) and (i), if the value of the gift or benefit exceeds \$300, or if the total value received from any one source during the course of a calendar year exceeds \$300, the member shall within 30 days of receipt of the gift or reaching the annual limit, file a disclosure statement with the Integrity Commissioner.

The disclosure statement must indicate:

1. the nature of the gift or benefit;
2. its source and date of receipt;
3. the circumstances under which it was given or received;
4. its estimated value;
5. what the recipient intends to do with any gift; and
6. whether any gift will at any point be left with the City.

Any disclosure statement will be a matter of public record.

On receiving a disclosure statement, the Integrity Commissioner shall examine it to ascertain whether the receipt of the gift or benefit might, in her or his opinion, create a conflict between a private interest and the public duty of the member. In the event that the Integrity Commissioner makes that preliminary determination, he or she shall call upon the member to justify receipt of the gift or benefit.

Should the Integrity Commissioner determine that receipt was inappropriate, he or she may direct the member to return the gift, reimburse the donor for the value of any gift or benefit already consumed, or forfeit the gift or remit the value of any gift or benefit already consumed to the City.

Except in the case of categories (a), (c), (f) and (i), a member may not accept a gift or benefit worth in excess of \$500 or gifts and benefits from one source during a calendar year worth in excess of \$500.

XV. FAILURE TO ADHERE TO COUNCIL POLICIES AND PROCEDURES

A number of the provisions of this *Code of Conduct* incorporate policies and procedures adopted by Council. More generally, members of Council are required to observe the terms of all policies and procedures established by City Council.

This provision does not prevent a member of Council from requesting that Council grant an exemption from a policy.

Appendix 3 – Policy on Donations to Council Member-Organized Community Events

AUTHORITY: Adopted by City Council on July 15, 16 and 17, 2008, as set out in motion 12 in 2008 EX22.6, as amended and adopted by Council

- "12. City Council adopt the following Policy on Council Member-Organized Community Events:
- a. donations must be for specific community events held on a specific date or a specific series of dates. Members of Council should not seek donations in money or in kind for ongoing or new programs that have been or could be offered through City programs, and which have a separate donations policy;
 - b. support for the events (whether in money or in kind) shall not exceed \$10,000 annually (whether for a single event or multiple events). (This amount does not include moneys or goods collected at any event in support of a charity or other cause if those donations go directly to the charity or cause.);
 - c. a Member of Council or a third party acting on behalf of the member shall neither solicit nor accept support in any form from those registered as lobbyists with the City, or developers with any pending planning, conversion, demolition or sign variance application. This prohibition extends to the negotiation of community benefits outside of the Planning Act processes including Sections 37 and 45;
 - d. Members of Council must report to the Director, Council and Support Services, in a manner and form prescribed by the City Clerk, on the source, details and value of all donations for community events prior to the event (if it is anticipated that the value of donations will exceed \$500) and a statement of accounts subsequent to the event if the value of the donations has exceeded \$300). This report shall include a genuine estimate of the value of in-kind donations. All donations and expenses paid for by donations are subject to the same administration, accounting and disclosure requirements as expenses charged to Office Expense Budgets;
 - e. all donation cheques should be made out to the City of Toronto and accounted through the City Clerk's Office. Members of Council or third parties acting on behalf of members should not hold or administer donations in separate personal accounts;

- f. surpluses should be minimized with accurate estimation of event costs and requirements. Surpluses (including in-kind donations such as equipment) should be returned to donors or transferred to general Council revenue. Under no circumstances, can a surplus be used for a different community event and, in particular, in supplementation of a member's office operations. Any surplus will count against the member's \$10,000 annual limit in the year in which it is used or drawn upon. Multi-year donations are not permitted;
- g. the City Clerk, in consultation with the Treasurer, will develop detailed procedures and guidelines regarding the receipt and accounting of donations for Council member community events, including the administration of surplus funds;
- h. This policy does not affect the entitlement of a member of Council to:
 - i. use her or his office expense budget to run or support community events subject to the terms of the Councillor Expense Policy;
 - ii. urge constituents, businesses and other groups to support community events staged by others in the member's Ward or elsewhere in the City;
 - iii. play an advisory or membership role in any organization staging community events in the member's Ward; and

- j. in an election year, a Member of Council must not seek donations and sponsorships for any community event that has not been staged in the previous two years nor accept donations or stage any community event supported by donations and sponsorships after he or she has filed nomination papers for election to any office in the City of Toronto.

A community event is considered to have been staged in the previous two years if it meets the following criteria:
