Dear Dan and Nick;

**RE TIMOTHY EATON BUSINESS and TECHNICAL INSTITUTE
1251 BRIDLETOWNE CIRCLE, SCARBOROUGH, ONTARIO**

We represent the Tamil Church of The Living Saviour, and have been renting a facility at 480 Huntingwood Drive, Scarborough, Ontario, for the past six (6) years.

Our prepared vision, inspired by prayer, has been to bring people of all nationalities and languages together as part of worship and extended community programs. To that end the current facilities no longer serve the vision.

Many of our members are residents of Ward 40.

It is understood that the asking price for The Timothy Eaton Business and Technical Institute and parking lot is 10.5 million dollars.

Although not financially able to acquire the entire property, funds are available to integrate into a financial partnership with like-minded people or organizations. The intent would be to use it for the benefit and growth of the local community.

If we are able to enter into such a partnership, it would allow the school to be used for worship, youth outreach, senior's assistance, day care, after school drop in center, meal programs, and other community needs.

We ask that this letter be recorded as serious indicated interest of our financial and volunteer outreach commitment to our community.

We look forward to your further questions, observations and/or directions.

Sincerely;

Amalan Segaratnasingham, Board Chair

Kesavan Balasingham, Pastor

Jayanthini Chelliah, Board Secretary
