Toronto City Council at its meeting of October 24 and 25, 2011, in considering item EX11.15, from the Executive Committee, authorized the sale of 828 Runnymede Road to Habitat for Humanity Toronto Inc. for the establishment of new affordable housing units.

## **COMMENTS**

Under Chapter 925, Permit Parking, the Liverpool Parking Lot, also known as 828 Runnymede Road, and situated on the south west corner of Liverpool Street and Runnymede Road, is authorized under the permit parking program. This parking lot has a total of 16 parking spaces. Any resident of Liverpool Street may apply for a permit which will authorize the holder to park their vehicle in this parking lot.

There is also a second permit parking lot situated on the north east corner of Liverpool Street and Castleton Avenue. This parking lot has a total of 10 parking spaces. Any resident of Liverpool Street may apply for a parking permit which will authorize the holder to park their vehicle in this parking lot.

Our records indicate that there are a total of nine residents of Liverpool Street that are in possession of a parking permit which will allow them to park their vehicle in either of the two parking lots situated on Liverpool Street.

As required under the City of Toronto Municipal Code, Chapter 925, Permit Parking, the General Manager requested the City Clerk to provide notice. Public Notice was placed in a major newspaper on May 9, 2012, with an expiration date to raise objections of May 23, 2012. The Clerk has confirmed that no written objection was received by the expiration date.

Transportation Services has no objections to the removal of the Liverpool Parking Lot, situated at the south west corner of Runnymede Road and Liverpool Street, from the permit parking inventory, as all existing permit holders can be accommodated in the remaining parking lot, situated on the north east corner of Liverpool Street and Castleton Avenue.
