

April 30, 2012

Ms. Ulli Watkiss
Toronto City Hall
100 Queen Street West
Toronto, ON M5H 2N2

Dear Ms. Watkiss,

I am submitting this second Administrative Inquiry (under Municipal Code S27-61) to seek information on the establishment of Citizen Committees. I am requesting a response from the Mayor regarding the report he was directed to bring to Council at the May 17, 2011 City Council meeting:

EX 5.3: 9 - Motion to Refer Motion moved by Councillor Giorgio Mammoliti (Amended)
That City Council refer the following motions to the Mayor for consideration and report back to City Council at its meeting scheduled for July 12, 2011:

The Mayor did not report back to Council at the July 12, 2011 City Council meeting. When questioned, Councillor Mammoliti stated the report would be coming to the September 2011 meeting. At the September 21, 2011 City Council meeting I questioned the Mayor to the status of this report, however no response was given. When I presented my first administrative inquiry in this regards, the Mayor wrote in his reply dated October 22, 2011 that he expected a report would be submitted to Council on February 6, 2012. Again, this did not occur. I have requested this information at several City Council meetings following this date, and still have not received an answer. I would request an answer to the following questions:

- 1) What is the status of this report?
- 2) When will this report be submitted to City Council?
- 3) When will the Citizen Committees consisting of the Toronto Cycling Advisory Committee, the City of Toronto French Committee, the Creative Cultural Advisory Committee, the Parks Conservancy Task Force, the Nathan Phillips Square Revitalization Community Advisory Group, the Toronto Pedestrian Committee, the Anti-Gridlock Task Force, the Access and Equity Committee, the Task Force to Bring Back the Don, and the Children's Services Advisory Committee be formed?

Best regards,

Sarah Doucette
Councillor, Ward 13
