

## CONDOLENCE MOTION

**Moved by:** Mayor Rob Ford

**Seconded by:** Councillor Frances Nunziata

The Mayor and Members of Toronto City Council are deeply saddened by the passing of Ms. Nancy Autton on Tuesday, May 22, 2012.

Nancy joined the former Municipality of Metropolitan Toronto government on January 14, 1985 and was most recently the Manager of Governance and Corporate Performance in the Strategic and Corporate Policy Division.

Nancy was a Certified Management Accountant (CMA) with deep governance, corporate and organizational knowledge. During her twenty-seven years of service, Nancy was instrumental in establishing numerous City corporations such as Toronto Hydro, Waterfront Toronto and Build Toronto, leading governance reviews of many of the City's agencies and developing an effective public appointments process. She understood the importance of agency contributions to achieving public policy goals and objectives. As a member of the Toronto Public Service, Nancy always served with passion, professionalism and a deep commitment to public service values.

Nancy will be remembered not only for her integrity, intelligence and work ethic, but also for her reliable, generous, and supportive nature. Nancy was an aficionado of the theatre whether local, national, or international and enjoyed many such venues over the years with her sisters, daughters, and late mother. Nancy also travelled with family a great deal over the last decade including memorable trips to Alaska, China, and to Vancouver for the 2010 Winter Olympics. More recently, Nancy discovered great enjoyment in the art of detailed cake decoration and spent happy hours creating some real masterpieces for the enjoyment of others.

To Nancy's son Neil, her daughters Kailee and Gillian and to her extended family, please know that she was loved and respected.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Ms. Nancy Autton's family.
