DECISION HISTORY

At its meeting of April 17, 2012, the Toronto and East York Community Council requested the City Solicitor to report on the environmental approvals for a concrete batch plant proposed as part of the construction of the pedestrian tunnel at the Billy Bishop Airport.

ISSUE BACKGROUND

The draft Construction Management Plan for the proposed pedestrian tunnel at the Billy Bishop Toronto City Airport makes reference to a concrete batch plant to be located within the construction compound on the mainland side of the project. Toronto and East York Community Council requested details on environmental approvals associated with a batch plant.
