Re: **Summary of vacancies on City Council since amalgamation**

Several Members of Council have asked me for information on how City Council has dealt with vacancies in the past.

The attached chart summarizes the vacancies on Council since amalgamation, and how Council has dealt with each vacancy.

In each case, City Council has followed its policy of holding a by-election where a vacancy is declared by Council prior to November 30th in the year prior to an election year, or making an appointment where a vacancy is declared by Council after November 30th in the year prior to election year.

Ulli S. Watkiss
City Clerk
