ISSUE BACKGROUND

The residents are concerned that vehicles parked on both sides of the driveway obstruct access/egress to the buildings' driveway.

COMMENTS

Cranborne Avenue is classified as a local road with a regulatory speed limit of 50 km/h. Municipal sidewalks are located on the east side of the road.

Currently, parking is prohibited at all times on the west side of Cranborne Avenue from Bartley Drive to Eglinton Avenue East and parking is permitted for a maximum duration of three hours on the east side of the road between Bartley Drive and Eglinton Avenue East.

Staff observations have verified the residents' concerns that vehicles are continually parked on both sides of the driveway of 65 Cranborne Avenue and obstruct exiting motorists view of north and southbound traffic on Cranborne Avenue.

The installation of parking restrictions on Cranborne Avenue north and south of the driveway of 65 Cranborne Avenue will improve access, as well as sightlines to the townhome's driveway.

The Ward Councillor supports the recommendation of this staff report.
