**Re: 1 Moss Street**

As City Councillor for Ward 43 – Scarborough East which encompasses 1 Moss Street, I am supportive of the removing of the Birch Tree that is located on the private property. As stated in the Arborist Report the Birch Tree is showing signs of decay. The homeowner is concerned about her and her family's safety as the long branches are overhanging the roof.

The homeowner is willing to plant a replacement tree in accordance with the size and species.

With this letter I am requesting that the Scarborough Community Council support the appeal brought forward to you on November 1<sup>st</sup>, 2013 for 1 Moss Street.

Sincerely,
