Dear Chair and Members,

**RE: Parking Regulations on Fulton Avenue Between Broadview and Jackman Avenues**

**SUMMARY:**

In June 2013, Toronto and East York Community Council approved changes in parking regulations on Fulton Avenue, between Broadview Avenue and Jackman Avenue that resulted in alternate side parking during the daytime hours on a monthly basis. Upon implementation residents have expressed concerns with alternate side parking during the winter months.

**RECOMMENDATION:**

It is recommended that Toronto and East York Community Council:

1. Request the Director, Transportation Services, to report to Toronto and East York Community Council, at its meeting of January 15, 2014 to amend the alternate side parking regulations on Fulton Avenue, between Broadview Avenue and Jackman Avenue, to maintain parking on only one side during the winter months.

Thank you for your consideration.

Sincerely,

Mary Fragedakis  
City Councillor  
Ward 29, Toronto – Danforth
