INDEPENDENT AUDITOR'S REPORT

To the Council of the Corporation of the City of Toronto and the Board of Management for the Riverside Business Improvement Area

I have audited the accompanying financial statements of The Riverside Business Improvement Area, which comprise the statement of financial position as at December 31, 2013 and the statement of operations and accumulated surplus, statement of changes in net financial assets and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, these financial statements present fairly in all material respects, the financial position of the Board as at December 31, 2013 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2013**

1. ESTABLISHMENT AND OPERATIONS

The Riverside Business Improvement Area (BIA) is established as a Business Improvement Area under the management and control of a Board of Management appointed by Council of the City of Toronto.

The Board is entrusted with the improvements, beautification and maintenance of municipally owned lands, buildings and structures in the area, together with the promotion of the area as a business or shopping area. Funding is provided by property owners of the BIA who are levied a special charge based on an annual operating budget prepared by the Board and approved by Council under Section 220(17) of the Municipal Act, as amended.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representation of management and have been prepared in accordance with generally accepted accounting principles for local governments as prescribed by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants (CICA), the most significant of which are as follows:

(a) Revenues and expenses are recorded using the accrual basis of accounting.

(b) Capital assets

Purchased capital assets are recorded at cost. Amortization is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Computers	3 years
Street & Christmas lights	5 years
Street furniture	5 years
Tree Pit	5 years

(c) Services provided without charge by the City of Toronto and others are not recorded in these financial statements.

The Board records special charges receivable net of an allowance for uncollected amounts. The special charges receivable from the City of Toronto are comprised of:

Total special charges outstanding	25,568	21,424
Less: allowance for uncollected special charges	<u>(10,400)</u>	<u>(21,300)</u>

The Board is required to deposit with the Treasurer, City of Toronto, insurance policies indemnifying the City against public liability and property damage in respect of the activities of the Board. Insurance coverage providing \$5,000,000 for each occurrence or accident has been obtained by the Board through the City of Toronto.

6. FINANCIAL INSTRUMENTS

The carrying value of the BIA's financial instruments approximates their values. The BIA is subject to an interest rate risk with respect to its investments; however, as these instruments are short-term investments the risk is minimal.

7. COMMITMENTS

The Board, in co-operation with the City, has implemented cost-shared capital improvement projects on publicly owned property for several years. The projects are long-term in nature and are usually completed subsequent to the year of Council's approval. The Board is committed to capital improvement projects of which the Board's share of \$7,023 (2012 - \$58,139) was outstanding as at December 31, 2013.

8. CAPITAL EXPENSES

In order to finance major capital expenses the BIA annually budgets certain amounts and accumulates them as operating surplus. Once adequate funds have accumulated, the BIA undertakes cost-shared capital improvement projects with the City. For this reason the actual expenses in a given year could significantly differ from the amount budgeted for the year. Any excess actual capital expenses are financed out of the accumulated surplus.

9. BUDGET

Budget Figures are provided for comparative purposes only and have not been subject to audit procedures.
