ISSUE BACKGROUND

The protocol relating to financial statements and management letters for Agencies and Corporations requires the governing body of each entity, subsequent to review and approval, to submit to the Audit Committee, for information purposes, copies of audited financial statements and management letters. Management responses are to be appended to each management letter. The Audit Committee also requested that the financial statements and management letters of all Community Centres and Arenas be submitted to Audit Committee at the same time.

This report provides City Council with the 2013 audited financial statements of Community Centres.

In order to ensure timely presentation of results to Audit Committee we are appending financial statements for those Community Centres currently completed. The remaining outstanding Community Centre financial statements are expected to be available for the next meeting of the Audit Committee.
