INDEPENDENT AUDITOR'S REPORT

To the Council of the Corporation of the

**CITY OF TORONTO AND THE BOARD OF MANAGEMENT FOR THE
CENTRAL EGLINTON COMMUNITY CENTRE**

We have audited the accompanying financial statements of the Board of Management for the Central Eglinton Community Centre, which comprise the statement of financial position as at December 31, 2013 and the statements of operations, changes in net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards for government not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

.../2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Centre derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of this revenue was limited to the amounts recorded in the records of the Centre and we were not able to determine whether any adjustments might be necessary to donations, net revenue over expenses, assets and net assets.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Board of Management for the Central Eglinton Community Centre as at December 31, 2013 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards for government not-for-profit organizations.

Other Matter

The financial statements of the Board of Management for the Central Eglinton Community Centre for the year ended December 31, 2012, were audited by another auditor who expressed a qualified opinion on those statements on April 23, 2013 for the reasons described in the Basis for Qualified Opinion paragraph.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2013

1. **NATURE OF OPERATIONS**

The City of Toronto Act, 1997 continued the provisions of By-law No. 1995 - 0448 dated June 26, 1995 to reflect Chapter 25, Community and Recreation Centres of the Corporation of the City of Toronto Municipal Code. Chapter 25 amended all previous By-laws and established part of the premises at 160 Eglinton Avenue East, Toronto, as a community recreation centre under the authority of the Municipal Act, known as Central Eglinton Community Centre (the "Centre"). The Centre is a not-for-profit organization and, as such, is exempt from income tax.

The Municipal Code provides for a Council appointed Board which, among other matters, shall:

- (a) endeavour to manage and control the premises in a reasonable and efficient manner, in accordance with standard good business practices, and
- (b) pay to the City of Toronto ("City") any excess of administration expenditure funds provided by the City in accordance with its approved annual budget, but may retain any surplus from program activities.

2. **SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

These financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards for government not-for-profits ("PSA-GNPO") as issued by the Public Sector Accounting Board (PSAB).

Revenue recognition

The Centre follows the deferral method of accounting for contributions. Contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are recognized and are recorded as deferred contributions on the statement of financial position. Externally restricted contributions for depreciable capital assets are deferred and amortized over the life of the related capital assets. Externally restricted contributions for capital assets that have not been expended are recorded as part of deferred capital contribution on the statement of financial position.

Program fees, membership fees and rental income are recognized as the services are provided. Amounts received in advance of services being provided are classified as deferred revenue on the statement of financial position.

Financial instruments

The Centre initially measures its financial assets and financial liabilities at fair value.

The Centre subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash, investments and accounts receivable. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Accrual basis of accounting

Revenues and expenses are recorded on the accrual basis, whereby they are reflected in the accounts in the period in which they have been earned and incurred, respectively, whether or not such transactions have been finally settled by the receipt or payment of money. In the year, gross revenues from all sources totalled \$965,880 (2012 - \$917,512) and total expenses charged against all funds totalled \$941,193 (2012 - \$883,130).

2. **SIGNIFICANT ACCOUNTING POLICIES** - Cont'd.

Contributed material and services

Because of the difficulty of determining their fair value, contributed materials and services are not recognized in the financial statements. Monetary donations are recorded as received.

Capital assets

Capital assets are recorded at cost and contributed capital assets are recorded at fair value at the date of contribution. Amortization is provided on a straight-line basis over their estimated useful lives, as follows:

Computers	- 3 years straight line
Furniture and equipment	- 5 years straight line
Leasehold improvements	- 10 years straight line

Employee related costs

The Centre has adopted the following policies with respect to employee benefit plans:

- (a) The City of Toronto offers a multiemployer defined benefit pension plan to the Centre's employees. Due to the nature of the plan, the Centre does not have sufficient information to account for the plan as a defined benefit plan; therefore, the multiemployer defined benefit pension plan is accounted for in the same manner as a defined contribution plan. An expense is recorded in the period in which contributions are made.
- (b) The Centre also offers its employees a defined benefit sick leave plan, a postretirement life, health and dental plan, a long term disability plan and continuation of health, dental and life insurance benefits to disabled employees. The accrued benefit obligations are determined using an actuarial valuation based on the projected benefit method prorated on service, incorporating management's best estimate of future salary levels, inflation, sick day usage estimates, ages of employees and other actuarial factors.

Net actuarial gains and losses that arise are amortized over the expected average remaining service life of the employee group.

The Centre recognizes an accrued benefit liability on the statement of financial position, which is the net of the amount of the accrued benefit obligations and the unamortized actuarial gains / losses.

Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards for government not-for-profits requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management makes accounting estimates when determining the useful life of its capital assets, significant accrued liabilities, the post-employment benefits liabilities and the related costs charged to the statement of operations. Actual results could differ from those estimates, the impact of which would be recorded in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and in any future years affected.

3. **FINANCIAL INSTRUMENTS**

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The following disclosures provide information to assist users of the financial statements in assessing the extent of risk related to the Centre's financial instruments.

Liquidity risk

Liquidity risk refers to the adverse consequence that the Centre will encounter difficulty in meeting obligations associated with financial liabilities, which are comprised of accounts payable and accrued liabilities.

The Centre manages liquidity risk by monitoring its cash flow requirements on a regular basis. The Centre believes its overall liquidity risk to be minimal as the Centre's financial assets are considered to be highly liquid.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Centre's cash and investments earn interest at prevailing market rates and the interest rate exposure related to these financial instruments is negligible.

Credit risk

The Centre is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Centre's maximum exposure to credit risk represents the sum of the carrying value of its cash, investments and accounts receivable. The Centre's cash and investments are with a Canadian chartered bank and as a result management believes the risk of loss on these items to be remote.

Management believes that the Centre's credit risk with respect to accounts receivable is limited. The organization manages its credit risk by reviewing accounts receivable aging and following up on outstanding amounts.

Changes in risk

There have been no changes in the Centre's risk exposures from the prior year.

4. **INVESTMENTS**

The investments consist of a one year cashable GIC which matures on July 11, 2014. Investments include \$42,175 specifically reserved for expenditures related to the 50+ Program only.

5. CAPITAL ASSETS

Capital assets consist of the following:

	<u>2013</u>		<u>2012</u>	
	<u>Cost</u>	<u>Accumulated amortization</u>	<u>Cost</u>	<u>Accumulated amortization</u>
Furniture and equipment	\$ 19,354	\$ 16,570	\$ 15,874	\$ 15,874

Less: Amounts recognized as revenue	<u>(728,037)</u>	<u>(678,224)</u>
Balance, end of year	<u>\$ 15,979</u>	<u>\$ 5,543</u>

7. DEFERRED CAPITAL CONTRIBUTION

In the year, the Centre received funding from the City of Toronto of \$15,691 for the purchase of capital assets for use in administrative activities. The amortization of deferred capital contribution of \$1,917 is recorded as revenue in the statement of operations when the associated asset is brought into service.

8. POST-EMPLOYMENT BENEFITS PAYABLE AND LONG TERM ACCOUNTS RECEIVABLE

The Centre participates in a number of defined benefit plans provided by the City including pension, other retirement and post-employment benefits to its employees. Under the sick leave plan for management staff with ten years of service as of July 1, 2008, unused sick leave accumulates and eligible retirees are entitled to a cash payment when they leave the Centre's employment.

The Centre also provides health, dental, accidental death and disability, life insurance and long term disability benefits to eligible employees. Depending upon length of service and an individual's election, management retirees are covered either by the former City of Toronto retirement benefit plan or by the current retirement benefit plan.

Due to the complexities in valuing the benefit plans, actuarial valuations are conducted on a periodic basis. The most recent actuarial valuation was completed as at December 31, 2012 with projections to December 31, 2013, 2014 and 2015. Assumptions used to project the accrued benefit obligation were as follows:

- long-term inflation rate - 2%
- assumed health care cost trends - range from 3.2% to 6.4%
- rate of compensation increase - 3%
- discount rates - post-retirement 4.4%, post-employment 3.6%, sick leave 4.1%

8. POST-EMPLOYMENT BENEFITS PAYABLE AND LONG TERM ACCOUNTS RECEIVABLE - Cont'd.

Information about the Centre's employee benefits, other than the multi-employer, defined benefit pension plan noted below, is as follows:

	<u>2013</u>	<u>2012</u>
Sick leave benefits	\$ 98,718	\$ 90,976
Post-retirement benefits	<u>71,041</u>	<u>74,960</u>

Expected benefits paid	<u>(5,323)</u>	<u>(4,459)</u>

Expenditures relating to employee benefits are included as administration employee benefits on the statement of operations in the amount of \$3,322 (2012 - \$5,449) and include the following components:

	<u>2013</u>	<u>2012</u>
Current service cost	\$ 5,543	\$ 5,750
Interest cost	6,204	6,437
Amortization of actuarial gain	(3,102)	(2,279)
Expected benefits paid	<u>(5,323)</u>	<u>(4,459)</u>
Total expenditures related to post-retirement and post-employment benefits	<u>\$ 3,322</u>	<u>\$ 5,449</u>

A long-term receivable of \$176,056 (2012 - \$172,734) has resulted from recording sick leave and post retirement benefits. Funding for these costs continues to be provided by the City as benefit costs are paid and the City continues to be responsible for the benefit liabilities of administrative staff that may be incurred by the Centre.

The Centre also makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer plan, on behalf of most of its employees. This plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employer contributions to this pension plan amounted to \$50,608 in 2012 (2012 - \$40,054).

REPORT TO THE BOARD OF DIRECTORS

OF THE

**BOARD OF MANAGEMENT FOR
THE CENTRAL EGLINTON
COMMUNITY CENTRE**

For the year ended December 31, 2013

Prepared by:
Welch LLP

AUDIT STATUS

Our audit of the financial statements of Board of Management for the Central Eglinton Community Centre for the year ended December 31, 2013 is substantially complete and we expect to release our auditors' report after the following outstanding matters are completed:

- Receipt of the signed management representation letter
- Receipt of confirmation from actuary
- File review by a second partner at Welch LLP
- Final subsequent events review

If any significant matters arise between the date of this report and the signing of our audit report we will raise them with you. The following paragraphs provide information we are required to communicate with you in accordance with Canadian generally accepted auditing standards.

QUALITATIVE ASPECTS OF ACCOUNTING PRACTICES AND FINANCIAL REPORTING

Our audit includes consideration of the qualitative aspects of the financial reporting process, including matters that have a significant impact on the relevance, reliability, comparability, understandability and materiality of the information provided in the financial statements.

There are no matters with respect to the qualitative aspects of accounting practices that we wish to draw to your attention in relation to the financial statements for the 2013 fiscal year.

MANAGEMENT LETTER OF REPRESENTATION

It is necessary for us to obtain written representations from management as an acknowledgement of their responsibility for the fair presentation of the financial statements and as audit evidence on matters material to the financial statements. We have provided a draft of the letter of representation in Appendix A. The Executive Director has committed to provide us with a signed copy of the letter on a date to coincide with the date of our auditors' report.

MISSTATEMENTS

The corrected misstatements identified during our audit are included in Appendix A. Management made all the corrections we proposed and as a result there are no unadjusted errors to report to you.

DEFICIENCIES IN INTERNAL CONTROL

During our audit we identified the following deficiency in internal control:

At present revenues are being recorded by the same person who receives cash receipts, performs physical bank deposits and records the cash receipts in the accounting system. This process has a lack of segregation of duties. We recommend, that a person independent from the accounting function prepare and make the bank deposit.

Management's Comments:

With respect to the recommendation that the Finance Manager no longer do the bank deposits, we will do our best to comply. However, due to staffing concerns, there may be instances when the manager will continue to perform that function.

INDEPENDENCE

Canadian generally accepted auditing standards require that we communicate at least annually with you regarding all relationships between Board of Management for the Central Eglinton Community Centre and us that, in our professional judgment, may reasonably be thought to bear on our independence.

We evaluated our role and relationship with the organization and determined that there were no independence issues, as outlined in the Rules of Professional Conduct that govern our profession, that would prevent us from performing the audit.

FINANCIAL STATEMENT PRESENTATION

1. Significant Accounting Policies

The organization's significant accounting policies are disclosed in the notes to the financial statements.

During the year there were no new accounting policies or changes to existing accounting policies.

2. Management's Judgments and Accounting Estimates

During the audit we did not encounter any situations that required significant judgements on the part of management or involved significant estimates.

DIFFICULTIES ENCOUNTERED DURING THE AUDIT
