To: Toronto East York Community Council
Re: Boulevard Cafes on Market Street between Front Street East and The Esplanade

I move the following recommendation to Toronto East York Community Council:

1. City Council direct that, prior to the issuance of a licence or permission for a boulevard cafe under section 313-36, any agreement entered into under 313-36E include a provision requiring that a boulevard cafe be closed and cleared by 11:00 p.m. unless Council has authorized extended hours of operation for all establishments on the west side of Market Street between Front Street East and the Esplanade, including all portions thereof that are located on a flankage.
