ARTS

2013/2014

MESSAGE FROM BOARD PRESIDENT JAMIE WILDER

In 2013/14 Lakeshore Arts grew in leaps and bounds. It was a pivotal year for this organization, one that I was proud to be part of.

In the fall of 2013 Lakeshore Arts' storefront gallery space doubled in size, allowing the organization even more space to run programs and hold events that continue to engage and cultivate our artistic energy. It was also the first year of a three year Trillium Foundation grant that has been allocated to growing our Youth Programming. This funding has allowed the organization to hire a full-time Youth Coordinator, and expand the Shazaam! and YAM programs.

If this wasn't enough excitement, Lakeshore Arts also received the first installment of increased funding from the City of Toronto. This increase is part of council's initiative to bring the arts funding up to \$25 per capita, and it assisted Lakeshore Arts better serve our community, expand our office space, and hire a full-time Operations Manager. When you take a look at how this organization has grown over the past 21 years it is truly astonishing. Everyone who has every stepped through the doors has contributed to the growth of Lakeshore Arts.

I would like to thank Susan for her leadership as Executive Director and the tremendous staff, Bebhinn, Kayla-Wray and Michelle for all of their hard work, as well as the Board of Directors for their commitment to the organization. To all of the volunteers of Lakeshore Arts, THANK YOU! You have invested your time, commitment, and appreciation for the arts in this organization, and without that Lakeshore Arts would not be what it is today.

JAMIE WILDER | PRESIDENT

MESSAGE FROM THE EXECUTIVE DIRECTOR

Our 2013 – 14 fiscal started with a splash! A pipe burst on the top floor, water poured down over our office, collapsing the ceiling, damaging computers, destroying files, and ruining furniture. The resilience of the staff was commendable as they rolled up their sleeves and got down to making everything right (and dry!). I am proud to work alongside our staff, Bebhinn, Kayla-Wray and Michelle; bright, dedicated individuals who are passionate about community arts, art education and serving this neighbourhood. Along with dedicated volunteers, members, and a Board of Directors, our programs are flourishing and our partnerships growing.

Our storefront gallery, The Smith Zone, continues to showcase local artist including our own youth programs and students from Lakeshore Collegiate. Alterna Savings joined as a community partner to support our Through the Eyes annual juried art exhibition, and Rob Della Rocca, owner of Lakeshore Valu-Mart, continued to honour his father's legacy awarding two Giorgio Della Rocca Integrity in Art prizes. The Assembly Hall, Humber College and our local libraries continue to be great community partners, along with the Mimico-by-the-Lake BIA who regularly invests in our initiatives.

Our three key youth programs: Shazaam!, YAM and ARTiculate received a three year Ontario Trillium Foundation grant allowing us to reach out to 309 children and youth and employ 28 artists for those programs alone! The Rotary Club of Etobicoke also championed our ask for iMac computers to expand our programming.

We were honoured to receive an increase in operating funds from the City this fiscal, and we continue to be actively involved in advocating for sustainable funds and hold City Council to their promise of reaching the \$25 per capita support by 2017. We were active at Arts Day at City Hall and Queen's Park to promote both the quantifiable (economic impact) and the qualitative power of the arts to our councillors and MPPs. All in all, it was a busy year.

Lakeshore Arts continues to be a vital, innovative organization working tirelessly to serve our community, and advocate for the power of arts education. We look forward to an exciting year this coming fiscal as we participate in the Pan Am Path and shine a spotlight on our community through the West End Cultural Hot Spot.

SUSAN NAGY | EXECUTIVE DIRECTOR

OPEN HOUSE

WE'VE EXPANDED OUR GALLERY & WORKSHOP SPACE!

In November 2013, Lakeshore Arts held an open house to officially celebrate the expansion of our storefront location. Boasting 1,000sq ft of workshop space, we now have room to feature more artists, accommodate new and diverse programs, host unique events and partnerships, and rent our space out for various community initiatives. We encourage you to drop by and have a look for yourself!

CHILDREN & YOUTH PROGRAMS

Accessible arts-led programming is an essential component of what we do. This year we were able to engage, teach, inspire and celebrate 674 children and youth in 12 programs.

FAÇADE

ARTS EDUCATION

Facade is a public art program that provides opportunities for students from different educational streams to work collaboratively on projects.

In partnership with:

PORTRAIT PROJECT

Internationally recognized artists Dan Bergeron and Paul Aloisi challenged 67 students from LCI's CyberARTS and Visual Arts programs to create self-portraits by exploring themes of identity, graffiti and public art. These unique and powerful portraits now grace the halls of the school creating a lasting legacy of these youth.

YAM

(YOUTH ARTS MOVEMENT)

Now a weekly drop-in program, this youth-led initiative attracted 33 kids ages 13 to 19 who, under the guidance of professional artist facilitators, explored a variety of art practices including mask making, paper making, printmaking, Bollywood dance, spoken word, cake decorating and puppet making. Youth are then able to transfer their new skills into leadership opportunities as volunteer facilitators, performers and youth leaders in a variety of community outreach initiatives throughout the year.

ARTiculate: YOUTH LEADERSHIP IN THE ARTS

During this free two-week program, youth worked as a team, learning a variety of leadership and art techniques such as wire sculpting, video production and spoken word. Field trips included workshops at the Gardiner Museum, Koffler Gallery and the Graven Feather Studio! Participants taught 125 children in local libraries (40 more than last year!), applying their newly learned art and leadership skills to reality!

SHAZAAM!

LITERACY THROUGH THE ARTS

Identity, Heroism and Community!!

Now in its 9th year, the Shazaam! program incorporates aspects of literacy, poetry, spoken word, drama, and illustration as modes of delivery and expression. The program builds on values of friendship, family, loyalty, and respect. Through the support of The Trillium Foundation and The City of Toronto, we have been able to expand this program into a new school, and partner with Stonegate Community Health Centre.

SHAZAAM! GRAPHIC NOVEL | St. Leo Catholic School, Stonegate CHC

Using drama, storytelling and visual arts programming as their secret powers, Shazaam! facilitators challenged youth ages 11 – 14 from St. Leo Catholic School, Stonegate CHC and the Lakeshore Arts community to team up to create a shared story showcasing the power of good over evil. The results were two amazing, professionally printed graphic novels created and illustrated by the students!

LAKESHORTS FUTURE FILMMAKERS INTENSIVE (LFFI)

As part of our arts education mandate, LFFI was established in 2012. Six local high school students with a passion for learning and filmmaking collaborated to create a short film in 5 days. Under the guidance of Artistic Director Michelle Nolden, and the mentorship of 12 industry experts, the youth learned everything from writing, directing, cinematography, make-up to marketing. The outcome was *Private Eye*, a humorous short film which premiered last May at the Loved and Local screening to great accolades.

AUDITOR'S REPORT

I have audited the accompanying financial statements of Lakeshore Arts Committee which comprise the statement of financial position as at July 31, 2014 and the statements of operations and changes in net assets and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An

audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained in my audit is sufficient and appropriate to provide a basis for my qualified audit opinion.

In common with many charitable organizations, Lakeshore Arts Committee derives a portion of its income from donations and proceeds from fundraising, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of these revenues was limited to the amounts recorded in the records of the organization and I was not able to determine whether any adjustments might be necessary to revenues, excess of revenues over expenses, assets, and unrestricted net assets.

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of the revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of Lakeshore Arts Committee as at July 31, 2014 and the results of its operations and cash flows for the year ended in accordance with Canadian generally accepted accounting principles for not-for-profit organizations.

TREASURER'S REPORT

I have great pleasure in presenting the treasurer's report for the year ending 31 July 2014. The financial accounts, as presented, have been audited by Jeffrey D. Milgram, Chartered Accountant/Licensed Public Accountant.

Lakeshore Arts Committee's goal is to enhance the quality of life for people who live, work and visit in the Lakeshore area through the integration of arts, culture and heritage into all aspects of community life. Lakeshore Arts continues to play a key role in advocating for the community arts sector at all levels of government and works diligently in encouraging the City Council to honour their \$25 per capita arts funding commitment.

The City of Toronto increased their funding to Lakeshore Arts this past year by \$23,000. This was the result of Beautiful City and their advocates pushing to have Billboard Tax dollars allocated towards increased funding for arts and culture. Lakeshore Arts received a new three-year grant from Trillium at a total of \$222,100 to support youth programs and which allowed us to expand our gallery/workshop space to 1000 sq ft. The increased City and Trillium funding also meant we were able to hire two new full-time staff: a Youth Program Coordinator and an Operations Manager. The main sources of income appear to be fairly stable and no single source represents more than 42% of the total, while costs remain under control.

The principal vulnerabilities to Lakeshore Arts finances are the potential loss of any grant monies (grants must be applied for on an annual basis). Additional vulnerabilities exist within private sector donations (these must be continually sought out in order to be retained) and employee succession (there is currently no succession plan in place should employees leave the organization).

The organization currently does not have a large cash reserve; however, future goals of Lakeshore Arts include increasing this reserve to allow us to cope with any unforeseen costs or loss of income. This past fiscal year Lakeshore Arts secured a \$25,000 revolving demand loan (line of credit) with the Alterna Savings Credit Union, which can provide bridge financing if required until such time as a larger cash reserve can be established.

Lakeshore Arts has a plan in place to attack its deficit. The Finance Committee developed and implemented a deficit reduction plan in 2013 to assist with eliminating the deficit by 31 July 2015. This group will need an additional year to achieve its objectives. Secondly, the new Resource Development Committee is focused on fundraising, annual giving, and on fostering new foundation and sponsorship dollars to the organization. Additionally, the new Operations Manager is responsible for financial and statistical reporting systems, marketing, communications, fundraising and development among other duties.

Once again it must be stressed that the current income levels are made possible only by the continued efforts of the staff of Lakeshore Arts, with support from the membership and the Board of Directors.

BOARD TREASURER

The percentages for the fiscal year 2013/2014 are derived from the Audited Statements of Lakeshore Arts as audited by Jeffrey Milgram, Independent Auditor. The full audited statements may be obtained by contacting Lakeshore Arts at 416-201-7093.

ARTIST OPPORTUNITIES

One of our key values is being able to hire artists and pay them a fair wage. This past year we were able to employ a total of 104 artists to deliver our annual programming.
