Subject:      Ticketing of Wheel-Trans Vehicles (Item DI1.5)

**Recommendation:**

**The Disability Issues Committee recommends to the Executive Committee that:**

**1. City Council request Toronto Police Services to consider using discretion when issuing parking tickets to vehicles picking up and/or dropping off a person with a disability.**

**Background:**

At the February 6, 2015 Disability Issues Committee meeting, Helen Henderson, Disability Issues Committee member, advised that Wheel-Trans vehicles and accessible taxis are being ticketed by Parking Enforcement Officers when picking up and/or dropping off a person with a disability.

Respectfully submitted,
