Re: Capital and Operating Budgets – City Planning (HCD)

Mayor John Tory and Executive Committee Members:

The Bay Cloverhill Community Association (BCCA) wishes to register our strong concern about anticipated staff and capital budget cut backs to city planning for the city's Historic Conservation District (HCD).

We have developed an extensive and positive experience with their professional services for several individual historic buildings as well as the proposed Yonge HCD.

The staff are already overwhelmed with legitimate projects. To eviscerate their numbers at this critical point in Toronto's history would be a tragic and short-sighted mistake.

Sincerely,

Rick Whitten-Stovall, President  
Bay Cloverhill Community Association (BCCA)
