**Recommendations**

Deputy Mayor Denzil Minnan-Wong, seconded by Councillor Pam McConnell, recommends that:

1. City Council ceremonially dedicate the Sherbourne Street separated bike lanes in honour of Alan Milliken Heisey.

**Summary**

In 2011, the City of Toronto, through the Public Works and Infrastructure Committee approved a Bikeways Network which included plans to build the first separated bike lanes in the downtown. The first leg of the network was the Sherbourne Street separated bike lane which was completed in June 2013. Alan Milliken Heisey played a key role in the conception and implementation of the bike network. His quiet and persistent advocacy was instrumental in garnering the support needed to get the bike lanes built.

In addition to being a long-standing citizen cycling advocate, Mr. Heisey has made significant contributions to the City. He was Chair of the Toronto Police Services Board, Chair of the Toronto Parking Authority, and is a Member of the Toronto Transit Commission. It is therefore fitting that Mr. Heisey's dedication and commitment to City building be appropriately recognized.
