### Traffic Calming/Speed Limit - Mould Avenue, between St. Clair Avenue West and Pritchard Avenue

#### Community Council Decision

Etobicoke York Community Council:

1. Authorized the Director, Transportation Services, Etobicoke York District to request the City Clerk to survey eligible householders in English or any other language specified by Community Council, on Mould Avenue, between St. Clair Avenue West and Pritchard Avenue, to determine if property owners/occupants support the installation, according to the City of Toronto Traffic Calming Policy.
2. Subject to favourable results of the poll:
  - a. Requested the City Solicitor to prepare a by-law to alter sections of the roadway on Mould Avenue, between St. Clair Avenue West and Pritchard Avenue for traffic calming purposes, generally as shown on Drawing EY16-31, dated February 2016, and circulate to residents during the polling process.
  - b. Approved a reduction in the speed limit on Mould Avenue, between St. Clair Avenue West to Pritchard Avenue, from 40 km/h to 30 km/h.
  - c. Approved a reduction in the speed limit on Mould Avenue, from Pritchard Avenue to Corbett Avenue, from 50 km/h to 30 km/h.

#### Origin

(March 11, 2016) Report from the Director, Transportation Services, Etobicoke York District

#### Summary

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

This report outlines the results of our investigation into installing speed humps and a 30 km/h speed limit on Mould Avenue, between St. Clair Avenue West and Pritchard Avenue. The results indicate that the criteria to justify installing speed humps or a 30 km/h speed limit are not satisfied.
