Re: **Traffic Calming – Nordin Avenue EY 15.32**

## **SUMMARY:**

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

This report outlines the results of our investigation into installing speed humps on Nordin Avenue, between The Queensway and Islington Avenue. The results indicate that the criteria to justify installing speed humps are not satisfied.

Further consultation with the community is required before making a decision on this matter.

## **RECOMMENDATION:**

That Etobicoke York Community Council refer this matter back to the Director, Transportation Services, Etobicoke York District, with a request that Transportation staff attend a Community Meeting to be hosted by Councillor Di Ciano in The Fall, 2016 and report back to Community Council.
